Not for nothing is she a favorite of her director the world famous Jango Edwards quote "I only work with the best but Tanja Simma is better than that!"

"Alive - Anna de Lirium" is a monumental musical and theatrical concert revealing a woman's crusade in search of her true profession and achieving international super status - a charming play with human imperfections.

At first failing as she tries to fill the social expectations of a woman Anna goes her own way and this independence is the key ingredient of her success.

Tanja Simma was the first female Austrian artist at CIRQUE DU SOLEIL. Furthermore she was a cast member of POMP DUCK & CIRCUMSTANCE and PALAZZO. Her original pieces have been performed at numerous international festivals (Andorra, Belgium, Croatia, Finland, Germany, Great Britain, Italy, Netherlands, Spain, Slovenia, Sweden, Switzerland etc.).
